The Following are some proven ways that will help promote your event:

Play Our Music

Incorporate songs from our recordings into as many parish or organization functions and events as possible. If you don't have access to either of our recordings, please let us know and we will gladly send a copy of one or both.

Word of Mouth

There is no substitution for good old word of mouth advertising and hype. Talk it up to every committee, every group in your parish or organization such as bible study groups, small groups, youth groups and retreats. Make sure everyone has the opportunity to hear about the event.
